I am interested in becoming a Storage Garage Resident Manager in Pulaski County-preferably in North Little Rock, Sherwood, Jacksonville or Cabot.

I have over 20 years of experience managing real estate: a small office building in California owned by Lawrence Welk, apartments, rent houses, and a duplex. Some of the properties were owned by me, and I did most or all of the repairs and upkeep. I was a Church Business Administrator in Sherwood for 12 years where I managed 4 rent houses in addition to two large church buildings, plus I supervised the janitors and a large day care in addition to handling the payroll and accounts payable.

I currently drive buses for Central Arkansas Transit (since May 2003), but would like to move back into property management. I do need a facility that provides medical insurance. My wife and I have been married for over 25 years. I do not use alcohol or tobacco products.

I will be at the Arkansas Self-Storage Convention on Thursday, October 11th in Hot Springs. I can be reached on my cell phone, (501) 554-0763.
